Ecumenical

I - Generated Material Notes: Calvinist vs. Arminian Controversy of Election

"... Faith without works (in actions) is dead" (James 2:26) → "is not being" (is an oxymoron... will and volitional... not actually such...)
cannot be faith actually → when → faith devoted
rationally trusting in object of "belief"
Therefore: Faith in the Jesus Christ for forgiveness and redemption (not actual = not faith.)

DOCTRINE STATEMENT

Isa 40 etc... Psalms 135 etc...

To Repent... turn back to God in covenant to God...
rationally obey... trust in obedience to Jesus Christ as Lord with... actions done in life... Also, while trusting in Him as Real and Alive... that His will is perfect... and in His actual promises (mostly eternal-life) → That His atoning work... made this covenant possible and potential... could not be possible or potential by ourselves without His provision → THIS was by His Grace and love, as the "gift" → The opportunity of this covenant to be "Redeemed" → which could never be paid except by "death" since "penalty of sin" → could never be paid except by "death"

(True) Faith in His propitiation for our sin... to repent, etc. obey Jesus Christ as Lord. → TRUE FAITH is to rationally als TRUST: In a Mystery... unfathomable, to hardly understand... → since He is Omnipotent, All-Knowing, All-Wise, Perfectly

Just beyond epistemological an "ology", etc. - God (Trinity) created man with rational volitional... judges and merits by his choice actions (By His Will... At same time... He is sovereign to → sovereignly ordain & orchestrate all according to His perfect will. → He acts according to His perfect character → and has elected by His sovereign choice, the eternal destination of all among mankind in complete, perfect of choice... When the act only comes captured from time as its creator → order all... in mystery and constantly

is forget about the "present mind", pseudo-intellectual - pseudo-theology idealizing term invented → And MacArthur... SHUT UP!!!! I don't want to HEAR ANYMORE ABOUT... will never listen to your... I am going on with what I know... Leave me alone Heretic. THIS IS IT... STOP

FINISHED... DONE!!! FINISHED!!! END!!! CONCLUDED!!! And I will NEVER have time for a "debate"... → opt out → polemical dispute & debate... proceedings... they are irrelevant to POSITIVE PURPOSE → THUS saying the Lord... It is written... and END!

* Contextually... in scripture, communicating with the word "believe" (Such as John 3:16) this full faith is implied since → whole essence of God in all scripture... etc... Let this polemical going on... so the "debate" etc... → HAVATHET... Let those → contend contrary → and abundant

proven by past acts of obstinate argumentativeness to detriment of Christ's flock. II. - Nt. on Exclusiveness of the Kingdom of Heaven on Earth

to a new teaching

does actually obey Abba

In early, Proto-Orthodox church:

There was "The Two Ways" ... etc...

They called themselves "The Way" ... → not yet "Christians"

at First (from this -- "The Two Ways" -- teaching prominent w/ Essenes)

John the Baptist's community with unique eternal purpose -- to prepare the way for the Lord and Baptism)

THE TWO WAYS

1. The Way to Destruction:

2. The Way to Eternal Life / the Kingdom of Heaven → "The Way"

ETC. → There is only → 1. "The Way" 2. "The Way"

It entails the Apostolic Doctrine and Canons of Christianity delivered by Apostles

Photo-Orthodox, Apostolic Tradition, to "bind the loose"

extremely narrow... "The Way" → He instructed "Barnabas" in "the Way"

to the best of sincere intention.
